Our Team:
- Gary N. Durham
  Ph.D., P.E.
  President
- Scott Lowrie
  Senior Engineer, PE, CWI, Level III
  Vice President
- Danny Collazo
  Chief NDT Inspector, Level III
  NDT Inspection Manager
- Bentley Thompson
  Chief GPR Inspector
  GPR Inspection Manager
- Shannon Byers
  Quality Manager
  Scheduling

Registered Vendor for
- AGL Resources
- Bombardier
- Hawker Beechcraft Corp.
- Southern Company

Certifications.
- ISO/IEC 17025:2005
- ISO 9001: 2008
- Laboratory — A2LA Accredited
- Nuclear Quality Assurance — NQA-1

Some Projects:
- Energy & Process Corp.: On site nondestructive testing for the past 20 years.
- Atlanta Gas Light: Failure analyses, laboratory testing and nondestructive testing — since 2003.
- Crane Nuclear: Mechanical testing, pressure testing, failure analysis, nondestructive testing.
- US Steel: Laboratory testing of coil steel — since 2011.
- Kamtek: Laboratory testing of automotive metal — since 2008.

For a full company profile, please request a copy of the company’s Statement of Qualifications (SoQ) or visit www.mmetesting.com for additional information.

Nondestructive Testing (NDT)
- Radiography
- Ultrasonic
- Magnetic Particle
- Eddy Currents
- Visual

Laboratory Testing of Materials
- Spectrometry (OES)
- Corrosion
- Tensile
- Charpy Impact

Certified Inspection Service, LLC
- NDT for the aviation industry (www.CISNDT.com).

Our Services...

MME Testing provides a full-service testing laboratory to meet your metals and materials analysis and verification needs. Our in-house machining capabilities allows us to prepare laboratory samples in accordance with most major specifications. In addition, MME Testing is equipped with a full line of laboratory testing equipment, giving us the capability to perform each test to your individual requirements. Our services are offered under the following industry codes:

- **Primary SIC codes**: 8734, 7699
- **Primary NAICS codes**: 541380, 237110
- **Primary NIGP codes**: 99200

**NDT Testing Services**

MME Testing provides full-service nondestructive testing and inspection services for the pipe fitting, plumbing, structural steel, bridging, petrochemical and nuclear industries. We can test and certify welded coupons in the range size of 2" Super, 2" XX, 2" Sch. 80, 6" Sch. 40, 6" Sch. 80 and a variety of other sizes to and configurations to suit your testing needs and specifically evaluate them to all applicable codes and standards.

**Laboratory Testing Services**

MME Testing operates a full-service testing laboratory with full mechanical, chemical, environmental, and forensic testing capabilities. Our team is well versed in testing to industry and government standards as well as developing and performing customized test procedures. Our machine shop allows us to prepare laboratory samples in accordance with most major specifications.

**Certified Inspection Service, LLC**

With over 50 years of experience, our sister company specializes in NDT of aviation industry with the highest level of professional service. Approved FAA repair station. Certified by the FAA: #X18R997N. See www.cisndt.com.
